Are you looking to take on challenging tasks in varied projects with social relevance in the field of information security? In our Security Advisors unit, we increase the resilience of organizations, processes and systems with innovative and solution-oriented consulting, thereby creating professional information security for excellent organizations. In our unit, you can shape things, grow personally and set standards.

Who we are

msg is an independent group of companies with more than 10,000 employees worldwide. We owe our distinguished reputation to our holistic range of services consisting of creative strategic consulting and intelligent, sustainable value-adding IT solutions for a variety of industries.

What you can expect from us

- You will work in motivated and highly qualified teams on exciting projects in information security, currently one of the fastest growing IT areas
- We offer varied activities from a wide range of information security topics
- Security Management, Governance, Risk & Compliance (GRC)
- Security audits (based on ISO 27001, BSI basic protection (BSI-Grundschutz))
- Consulting on security in the software development process with Security and Privacy by Design
- Elaboration of IT security concepts
- Cyber defense and security incident management

What you offer

- University degree (diploma, bachelor, master) in computer science or a comparable education
- Substantiated experience in one or more of the above topics
- Knowledge of common information security standards
- Ideally, IT security certifications e.g., ISO 27001 Lead Auditor, CISM, CISSP, CIPP
- Knowledge of relevant laws and regulations (e.g., GDPR, KRITIS, BAIT, etc.)
- Ideally, some experience in sales and marketing
- Experience in the design and delivery of training

What we offer

- Home office and mobile working
- Flexible working hours
- Time recording on a trust basis
- Overtime compensation
- 30 days of vacation and special leave days
- Long-term accounts / sabbatical
- Fixed remuneration with variable component
- Free choice of location
- Minimum travel
- Comprehensive further training

This is your way to us

Interested? Then we look forward to receiving your application with salary requirements and possible starting date via security-advisors.msg.group/en/career.
